ABOUT NIFM

The National Institute of Financial Management (NIFM) is Centre of Excellence specializing in capacity building of professionals in the fields of Public Policy, Financial Management and other governance issues for promoting highest standards of professional competence and practice.

NIFM was set up in 1993 as a registered society under Ministry of Finance, Government of India. To begin with, it was mandated to train the officers recruited by the Union Public Service Commission (UPSC) through the Civil Services Examination and allocated to the various services responsible for managing senior and top management posts dealing with accounts and finance in the Government of India. In due course of time NIFM has become a premier resource centre to meet the training needs of Central Government for senior and middle level of management too. NIFM also caters to the State Governments, Defence Establishments, Banks and other Financial Institutions.

NIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas & experiences among officers from different organized services, different State Governments and between personnel of civil and Defence Establishments.

Apart from capacity building, NIFM is also engaged in serious research studies in the areas of accounting, audit, financial management, parliamentary financial control and other issues related to public policy and delivery systems. The outcomes of such research studies are published and disseminated through Research Papers, Journals and Books.

The Union Finance Minister of Government of India is the President of the NIFM Society and Secretary (Expenditure), Government of India is the Chairman of the Board of Governors (BoG). The Director, NIFM is responsible for the administration and academic programs of the Institute. NIFM has a distinct advantage of an amalgamation of faculty from academics as well as from Government. The Academic Advisory Committee of the NIFM assists NIFM in all matters related to creating, maintaining and expanding academic, training and research environment. This committee also has eminent members from acclaimed academic fraternity of India. The Management Committee of NIFM handles the day to day affairs of the institute.

MESSAGE FROM DIRECTOR

Dear Recruiter

I am pleased to introduce the 8th batch of the Post Graduate Diploma Programme in Financial Markets. This one year programme has been developed with the intention to shape professionals looking for enriching careers in the Financial Markets sector.

This fascinating area of work presents some of the most desirable and satisfying career options of the day. In this era of constant change, in a constantly evolving field, it is abundantly clear that technology and regulation will continue to drive the evolution of financial markets. Given this, it is critical for aspirants to have a thorough knowledge of the theoretical as well as practical aspects of the subject.

Over the last 8 years, NIFM's PGDM (Fin Mkt) has emerged as a leading programme both in private and public sector that enables students to deliver and take rapid strides forward. The core strength of the Institute to nurture a unique blend of talent with appropriate exposure to Public Policy and the constantly changing financial world. The programme has been constantly updated, based on authentic and valued feedback from all stakeholders.

I am certain that these professionals will be the rising stars of your respective enterprises and organizations, and I recommend them enthusiastically for your consideration.

Meena Agarwal
Director, NIFM

MESSAGE FROM PROGRAMME CHAIR

Dear Recruiter

Indian Financial Market has evolved rapidly in the last two decades. India has experienced a phenomenal growth after the economic reforms of 1990s and in the same decade, Indian Financial market started gearing up for the new challenges and innovations in terms of the development of diverse sub-markets and new financial instruments. At present, Indian financial market is highly integrated with world financial markets making it dynamic and complex, thus creating new demands and growth opportunities.

This programme, the Post Graduate Diploma in Management (Financial Markets), offered by the NIFM is a unique programme designed for the professionals and practitioners desiring to excel on the strength of the knowledge and understanding of the market.

In this programme, we provide continuous interaction between theory and practice that equips participants with the required skills to compete and stay abreast with the market. Moreover, this programme is designed to facilitate progressive expertise-building across functional boundaries and we provide a platform to connect across diverse market segments.

NIFM believes in creating Financial Market Professionals who are responsible for managing equity, commodity, currency and bonds markets in the times to come.

I invite you to NIFM for the Campus Placement.

INTERNATIONAL ATTACHMENT

The curriculum of Post Graduate Diploma in Management (Financial Markets) has been designed to expose the participants not only to the theoretical concepts but also application of these concepts in industry. Towards this, the course participants of PGDM (Financial Markets) 2017-18 were taken to International Attachment from 16-20 April 2018 to Singapore, which is one of the most advanced service oriented country especially in the field of Capital Markets & associated Financial Services.

Thomson Reuters. Thomson Reuters Corpn. is a Canadian multinational mass media and information firm. The participants were given detailed insight into the methodology of voluminous data analysis & its importance in the financial sector. The session was conducted jointly by Ms. Daniela & Mr. Radha Krishan.

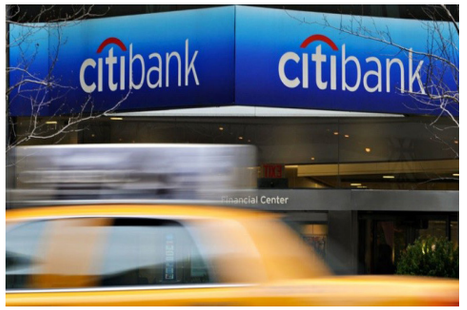
SBI Singapore. At SBI Singapore Mr. Soma Shankara Prasad and his team conducted the session wherein role of SBI Singapore, need for going global, regulatory tightening and participation in debt market was discussed in detail.

Singapore Exchange (SGX). The Session was conducted by Mr. Michel Syen, Vice President Singapore Exchange. The speaker covered in detail the evolution & growth of Singapore Exchange. As Asia's most international, multi-asset exchange, SGX provides listing, trading, clearing, settlement, depository and data services, with about 40% of listed companies and 75% of listed bonds originating outside of Singapore. The importance of technology with special reference to Fintech and its linkage with capital markets was also touched upon.

Opportunities in Singapore Financial Sector. Mr. Srinivasan Venkat, President & Global Head Finance, OLAM conducted the session. He covered in detail the evolution of Singapore into a financial hub. He emphasized on the need to be technically skilled so as to be a part of the financial system and impressed upon the participants to enhance their skill sets based on the industry requirement.

M & A Activity with Emphasis on Turn Around Strategy for Corporates. Prof. Nilanjan Sen, Associate Dean, Singapore Technological University conducted the session. The speaker covered the intricacies of inorganic growth amongst corporates. He also covered the important aspects which play a critical role in the turn around of an adversely performing Company.

Citi Bank Singapore. Mr.Nirav Parikh, Director - Futures, Clearing and Collateral, Citi Bank, conducted the session. The speaker enlightened the participants about Commodity Derivatives. He covered in detail about the origin and growth of Commodity Market over the decades. He emphasized on the need for continuous evolution & development of products in the Commodity Derivatives Segment which provides an opportunity to cover risk. This was followed by a deliberation on the scope for development of Commodity Derivatives market of India.



One Belt One Road Programme (OBOR) of China & Opportunities For Honkong Exchange. Mr Dominic Chi, Vice President Hongkong Exchange covered the OBOR Programme of China which would connect China to Europe, Asia & Middle East. This would require large quantum of investment for development of infrastructure. Honkong Exchange sees this as an opportunity wherein it would be able to provide the most conducive environment for all products whether equity or debt based. During the interactive session the challenges posed by other International Centers viz. Gift, Labuan, Singapore, etc were also discussed.

PWC FINTECH. Mr Ramesh Raghvan, PWC covered the importance of FINTECH in the field of capital markets, banking, insurance, investments, fund transfer, etc. He emphasized that in the times to come automation in the Financial Sector will not only achieve efficiency but also reduce the time cycle in rendering the desired services. He impressed upon the batch to acquire skills which are critical in backdrop of automation in the financial world.

Singapore Taxation System. Mr Anuj Kagalwal PWC & Mr Navin Amarnani, Senior Vice President, International Business, Edelweiss International conducted the session. The need for creating a conducive business environment & consistency in policies viz, taxation, regulatory aspects, etc are critical to evolve a country into a favorite investment destination was emphasised.

DOMESTIC ATTACHMENT

SECURITIES AND EXCHANGE BOARD OF INDIA (SEBI)

Participants of PGDM (Financial Markets), 2018-19 visited Securities Exchange Board of India on 27 November 2018. The session on SEBI & Securities Markets was conducted by Shri Jeevan J S, General Manager, SEBI. He focused upon the powers bestowed upon SEBI under Sec.11 of the SEBI regulations. In the session, participants were given information of the compliance structure and the role of various departments of SEBI and how they are interlinked. The role of SEBI in investor protection, important Regulations and Rules related to Insider Trading, Front Running, Corporate & Municipal Bonds and the importance of Corporate Governance and Compliance were also covered during the deliberations.

RESERVE BANK OF INDIA (RBI)

Participants of PGDM (Financial Markets), 2018-19 visited RBI on 27 November 2018. The participants got the privilege to have an interactive session with Senior Managers from the Reserve Bank of India. The batch was addressed by officials of RBI representing Department of Monetary Policy (MPD), Department of Banking Regulation (DBR) and Financial Markets Regulation Department (FMRD). Shri Vivek Aggarwal, Chief General Manager, Human Resource Management Department, Chaired the Session. Shri A.K. Mitra, Director, MPD spoke extensively on the Monetary Policy Committee, its constituents and functioning. Dr. S.P.Mohanty, GM, (DBR) focused on the current NPA situation in the banking sector along with the Basel III norms. Shri Manoj Kumar, DGM, FMRD deliberated on various markets that RBI deals with such as Funding Market, Secondary Market and Forex Market.

DOMESTIC ATTACHMENT
