# ABOUT NIFM

The National Institute of Financial Management (NIFM) is Centre of Excellence specializing in capacity building of professionals in the fields of Public Policy, Financial Management and other governance issues for promoting highest standards of professional competence and practice.

NIFM was set up in 1993 as a registered society under Ministry of Finance, Government of India. To begin with, it was mandated to train the officers recruited by the Union Public Service Commission (UPSC) through the Civil Services Examination and allocated to the various services responsible for managing senior and top management posts dealing with accounts and finance in the Government of India. In due course of time NIFM has become a premier resource centre to meet the training needs of Central Government for senior and middle level of management too. NIFM also caters to the State Governments, Defence Establishments, Banks and other Financial Institutions.

NIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas & experiences among officers from different organized services, different State Governments and between personnel of civil and Defence Establishments.

Apart from capacity building, NIFM is also engaged in serious research studies in the areas of accounting, audit, financial management, parliamentary financial control and other issues related to public policy and delivery systems. The outcomes of such research studies are published and disseminated through Research Papers, Journals and Books.

The Union Finance Minister of Government of India is the President of the NIFM Society and Secretary (Expenditure), Government of India is the Chairman of the Board of Governors (BoG). The Director, NIFM is responsible for the administration and academic programs of the Institute. NIFM has a distinct advantage of an amalgamation of faculty from academics as well as from Government. The Academic Advisory Committee of the NIFM assists NIFM in all matters related to creating, maintaining and expanding academic, training and research environment. This committee also has eminent members from acclaimed academic fraternity of India. The Management Committee of NIFM handles the day to day affairs of the institute.

# MESSAGE FROM DIRECTOR

## Dear Recruiter

I am pleased to introduce the 7th batch of the Post Graduate Diploma Programme in Financial Markets. This one year programme has been developed with the intention to shape professionals looking for enriching careers in the Financial Markets sector.

This fascinating area of work presents some of the most desirable and satisfying career options of the day. In this era of constant change, in a constantly evolving field, it is abundantly clear that technology and regulation will continue to drive the evolution of financial markets. Given this, it is critical for aspirants to have a thorough knowledge of the theoretical as well as practical aspects of the subject.

# MESSAGE FROM PROGRAMME CHAIR

Dear Recruiter

Indian Financial Market has evolved rapidly in the last two decades. India has experienced a phenomenal growth after the economic reforms of 1990s and in the same decade, Indian Financial market started gearing up for the new challenges and innovations in terms of the development of diverse sub-markets and new financial instruments. At present, Indian financial market is highly integrated with world financial markets making it dynamic and complex, thus creating new demands and growth opportunities.

This programme, the Post Graduate Diploma in Management (Financial Markets), offered by the NIFM is a unique programme designed for the professionals and practitioners desiring to excel on the strength of the knowledge and understanding of the market.

In this programme, we provide continuous interaction between theory and practice that equips participants with the required skills to compete and stay abreast with the market. Moreover, this programme is designed to facilitate progressive expertise-building across functional boundaries and we provide a platform to connect across diverse market segments.

NIFM believes in creating Financial Market Professionals who are responsible for managing equity, commodity, currency and bonds markets in the times to come.

I invite you to NIFM for the Campus Placement.
